all our problems and unveils
God's plan to us.

John 6:18-21

And because a strong wind was blowing, the ¹sea was churning. Then, when they had rowed about twenty-five or thirty stadia, they saw ²Jesus walking on the sea and coming near the boat, and they became frightened. But He said to them, It is I. Do not be afraid. Then they were willing to ¹take Him into the boat; and immediately the boat was at the land to which they were going.

18¹ *The churning of the sea signifies the troubles in human life.*

19² *This signifies that the Lord can overrule the troubles of human life, and all the troubles are under His feet.*

21¹ *We need to take the Lord into our "boat" (our married life, our family life, our business, etc.) and enjoy peace with Him on the journey of human life.*

Please pray to Christ to receive Him into you.

(2 Timothy 3:15, John 6:35)

Every one who believes into Him
would have eternal life.

John 3:16

For God so loved the world that He gave His only begotten Son, that every one who ²believes into Him would not perish but would have eternal life.

16² *Believing into the Lord is not the same as believing Him (6:30). To believe Him is to believe that He is true and real, but to believe into Him is to receive Him and be untied with Him as one. The former is to acknowledge a fact objectively; the latter is to receive a life subjectively.*
